Dear Friends,

Two thousand twenty-three has proven to be a year of great challenge and change for our nation. As we welcome conservative leadership in the House of Representatives to hold the federal government accountable, we look forward next year to one of the most important elections in our nation's history.

This year however, we have an opportunity to celebrate one of the most impactful elections in our shared history—the 45<sup>th</sup> anniversary of the Briggs Initiative, which would have banned gays and lesbians from teaching in California public schools. In 1978, then-California Governor Ronald Reagan stood with our community to oppose this discriminatory initiative. And when it was defeated, it resulted in the first win at the ballot box for gays and lesbians in America. And that can be credited in large part to Ronald Reagan's commitment and courage against discrimination. As we prepare for next year's election, and highlight our programs both at home and abroad, it makes sense that we return to where our organization started.

On **SATURDAY, NOVEMBER 11, 2023**, the Boards of Directors of Log Cabin Republicans and the Log Cabin Institute (formerly Liberty Education Forum) invite you to the 2023 **SPiRiT OF LINCOLN GALA** in the Air Force One Pavilion at the Ronald Reagan Presidential Library and Museum in Simi Valley, California. This stunning venue just above Los Angeles is the most visited presidential library and celebrates our 40<sup>th</sup> president's legacy-defining the modern conservative movement.

We will be recognizing our profound history and honoring exemplary individuals who have steadfastly championed our cause. Your presence would lend immense weight to the occasion. With honorees and guests from across the globe—and a setting that offers a captivating experience—we assure you an unforgettable evening that echoes our shared values and vision.

Your participation in this milestone event would mean a great deal to us. The **SPiRiT OF LINCOLN GALA** is not just a party, it's a testament to our shared commitment and the positive change we continue to make. As we look back on our journey and forward to the horizons yet to come, it would be a privilege to have you alongside us—reflecting, rejoicing, and advancing our guiding motto, "Inclusion Wins!"

Best Regards,

Charles Moran
